LUXUS TEAM WINS SERIES STRAIGHT

Last Game Is Best of All Locals Losing by Score of 1 to 4.

"SHORTY" DAVIS WINS HOME IN SALT LAKE

Walsh Crack Second Baseman Is Signed for Remainder of Season.

The Denver Luxus baseball team defeated the Occidentals on the Walker Field Friday afternoon in the third straight game of the series by a score of 4 to 1, playing errorless ball. While the score was held down, the game did not have the usual sensational plays as on Thursday, "Shorty" Davis on third base showed the fans a trick in quick pickups, and was again the feature of the game. He has certainly won a home in Salt Lake City. He is the real stuff when it comes to fielding...

Shutout Ball. V. Davis pitched shutout ball for the Luxus team, and but for a wild pitch the Occidentals would not have scored. He allowed but three hits in the game, two of which were secured by Hawkins and one by Middleton. In the second and third innings, Davis fanned six men in one-two-three order, which is a local record for consecutive strikeouts. Clark, who secured the only run for the team, was the only man to reach third base, Middleton in the fifth inning was the first man to reach first base, which he did on a fluke. He hit the ball to Davis, who in throwing to first base hit the umpire in the head, dropping that official as if shot. The local boys could not place a ball save, no matter where the ball fell, and pulled himself out of several holes which looked good for two or three runs. The visitors found it impossible to score more than one run in any one inning.

The game was delayed half an hour owing to trouble in the box office. It was the last day, and Manager Reid wanted a full settlement before he started his club on the game. Reid also announced to the 1500 people present that Walsh, the crack second baseman of his team, would remain in the city to play out the remainder of the season as a member of the Salt Lake team. The score was as follows:

Five Wins Prize. AMSTERDAM, Aug. 28.—George Gardner's Boy's Day Table was again a winner in the race held here today, being victorious in the 25 miles and the 15 miles events. In the first, he covered the distance in 23 minutes 40 seconds, and got over the shorter course in 14 minutes 20 seconds. Mr. Frye, racing against the best Dutch boys, has won the international title. The wind during the contest has been very heavy.

Wright to Play Champion. NEW YORK, R. I., August 28.—Eddie C. Wright defeated F. E. Alexander of New York in the final round of the all-comers national tennis championship in the Casino courts today in straight sets. The score, 6-2, 6-4, 6-3. Wright will probably now play W. A. DEVONEVITCH WINS PROFESSIONAL RACE

Sammelson Beats McFarland in Ten-Mile Match Race by Three Laps.

A large crowd attended the Salt Palace bicycle races Friday night. The most popular win of the evening was that of Theodore Devonevitch, when he took the two-mile lap professional race in a two-lap sprint against the entire field. Half a dozen riders finished close apart. Palmer, Wilcox and Hutton were in the order named. Devonevitch, Hollister, DeMaar and West failed to get in the money. After the race several riders entered a protest against the officials. Devonevitch won by the length of his whiskers, which was not a square deal to the other men in the contest. The time was 2:55 1/2. The ten-mile match race between F. J. Sammelson and McFarland was won by the latter by three laps, in 14:34. McFarland's motor was not up to the standard. FUNDS NOW ARE BEING RAISED FOR FIREMEN'S RELIEF ASSOCIATION

Alex. Baker, president, and Charles Sheely, secretary, of the "Salt Lake City Firemen's Relief Association," acting as a press committee, have issued the following: That the Salt Lake City Firemen's Relief Association is an assured success has been demonstrated in the last few days. The association, organized July 25, 1908, and now has on its rolls every member of the fire department, with one or two exceptions. The so-called Firemen's Fund, which has been in existence for the past twenty years, has never done the firemen one whit of good. There have been several of them in the past few years that should have been beneficiaries of this fund, but some technicality has stood in the way, and each injured fireman was forced to look out for himself.

This association that was recently formed is for the benefit of the firemen, organized by the firemen, and governed by the firemen. In order to get a nucleus, the firemen and the street car men are matched for a ball game, Wednesday, September 2, at Walker's field, and at the rate the tickets are selling they will be more than able to realize their expectations. Public spirited citizens are responding nobly, and yesterday General Manager Risque of the Utah Consolidated Mining company sent the association a check for \$25. Such donations as this are making the firemen's hopes run high, and they are realizing their expectations.
